## Asante Hospice Butterfly Released this Weekend

Asante Hospice will sponsor butterfly release ceremonies in Medford and Grants Pass this weekend, to provide opportunities for family members to commemorate the lives of loved ones who have passed away.

The Medford event will be from noon to 2:30 p.m. on Saturday, Sept. 26, on the east lawn of the Smullin Health Education Center. The Grants Pass event will be from noon to 2:30 p.m. on Sunday, Sept. 27, at the Centennial Gazebo in Riverside Park.

“We invite you to remember and celebrate the life of a loved one at our annual butterfly release,” Asante Hospice said in an open invitation to the event.

The events will also feature light refreshments and memory tables for photographs of remembered loved ones. The public is invited.

Butterfly release ceremonies can be traced to Native American traditions, in which butterflies symbolize spirit and their release represents freedom. Participants often feel a sense of peace and harmony.
