Four Neurologists to Practice at New Grants Pass Location

All four neurologists who practice at the Asante Physician Partners-Neurology location in Medford are also offering their services at the new APP-Neurology location in Grants Pass. The practice recently moved from the Asante Center for Outpatient Health to a building on the other side of the Asante Three Rivers campus.

Patients at Asante Physician Partners-Neurology in Grants Pass will continue to be served by [Dan Dimitriu, MD](#); [Eric Lee, DO](#); [Oscar Sanchez, MD](#); and [Shaun Rajah, MD](#).

The new Grants Pass location will have one provider available on Mondays, two on Wednesdays and one on Thursdays. Patients may schedule appointments by calling APP-Neurology at (541) 789-5790.

The four neurologists who serve the Grants Pass location also see patients at the APP practice's Medford location at 520 Medical Center Drive, Suite 201.

The neurology group opened Nov. 18 at its new Grants Pass location in the Three Rivers Medical Plaza at 520 SW Ramsey Ave., just south of Asante Three Rivers Medical Center.

More space was available at the practice's new location than at its old one on the second floor of the outpatient health building.
