ELEMENTS 2015: Time to Wrap Up Learning Modules

Just two weeks remain for Asante employees to complete their annual assignments for ELEMENTS, the online learning module that all employees must complete in the Asante Learning and Education Center (ALEC).

The due date for completion of this year's online training exercise is Tuesday, Dec. 15.

To locate the ELEMENTS 2015 modules in ALEC, [log into UltiPro](#) using your network username and password. Click on ALEC under the Web Links tab on the right navigation bar and then – after completing another login window – click on the My Learning tab, where ELEMENTS 2015 is listed under Assigned Learning.

This year's module includes segments on bloodborne pathogens, tuberculosis, compliance, social media, active shooter, fire safety, ICD-10 overview and the Asante fall reduction training.

ALEC is managed by Asante's ITS Department.
