Relay for Life “Extreme Team” Calls for Volunteers

The Asante Physician Partners “Extreme Team” is encouraging employees from all Asante entities to join the fight against cancer by taking part in this year’s Relay for Life.

The annual event – to be held May 30 and 31 at Medford’s Spiegelberg Stadium – is an opportunity for community members to come together and honor cancer survivors, remember loved ones lost and fight back against the disease.

Teams camp out over night and take turns walking or running a track for as long as 24 hours. And Because cancer never sleeps, each team is asked to have at least one participant on the track at all times.

Those who have questions about the event, are interested in joining a team or who are part of an existing team are asked to email healthpromotion@asante.org, or call Raychel at 15211 or Alisia at 14712.

Relay For Life, an annual fund-raiser for the American Cancer Society, is the world's largest and most impactful event to end cancer. More than 5,000 Relay For Life events take place in at least 20 countries.

Relay For Life draws communities around the world for a celebration of those who have battled cancer, a remembrance of those who have been lost to the disease and as a resolution to finish the fight against cancer. Relay For Life events have raised about \$5 billion since 1985.

Asante News is published every Tuesday. Deadline for submission of articles is every Friday. Send via e-mail to asantenews@asante.org.
