## Miss the Latest Medical Staff News?

Current and past issues of Asante's Medical Staff News are available online with no network login required. Providers and employees at all three Asante hospitals can find clinical updates, lists of new practitioners, patient comments, past newsletters and more.

Readers can bookmark Medical Staff News pages for [Asante Ashland](#), [Asante Rogue Regional](#), or [Asante Three Rivers](#), and browse whenever it's convenient.

The online newsletter was relaunched earlier this year as a Web-based publication with a sleek design and timely clinical information. Medical Staff News features articles on patient safety, quality, new providers, continuing medical education and more.

The newsletter publishes the third Wednesday of every month. To submit material, contact [Shirleen Holt](#) at (541) 789-3504.
