## Medical Staff News Goes System-wide

Asante's monthly medical staff newsletter is now available to staff at all three hospitals in the organization, with the recent addition of a version for Asante Three Rivers Medical Center in Grants Pass.

The online newsletter was relaunched two months ago as a Web-based publication with a sleek design and timely clinical information. Medical Staff News features articles on patient safety, quality, new providers, continuing medical education and more.

It now offers similar but separate versions for medical staff members at [Asante Three Rivers Medical Center](#), [Asante Rogue Regional Medical Center](#) and [Asante Ashland Community Hospital](#).

The newsletter publishes the third Wednesday of every month. To submit material, contact [Shirleen Holt](#) at (541) 789-3504.

Asante News is published every Tuesday. Deadline for submission of articles is every Friday. Send via e-mail to [asantenews@asante.org](mailto:asantenews@asante.org).
