APP's Inaugural Trunk or Treat Frightfully Successful

Tricks and trunks and treats came together along with some appreciative Halloween visitors when Asante Physician Partners-Family Practice in Grants Pass recently staged its inaugural Trunk or Treat Celebration.

The event – intended as a feel-good community event – was held among the car trunks, pickup beds and SUV cargo areas of clinic employees, all decorated in Halloween themes.

Each employee who decorated his or her vehicle was eligible enter the “best trunk” contest, which was decided by all those who showed up to view the entries. The first-, second- and third-place winners received prizes.

The celebration also featured face painting, a photo booth, a petting zoo and wheel chair races. Children who trunk-or-treated among the decorated entries were treated to activities such as ring toss games, bobbing for apples and other contests.
