“Grab and Go” Grocery Items at Asante Rogue Regional

The Rambling Rogue Café at Asante Rogue Regional Medical Center has introduced a new program so convenient it may eliminate convenience store stops for busy employees heading home from work.

The cafeteria has begun carrying a few basic grocery essentials that on-the-go employees can purchase at work, to skip that extra stop during their commute home.

The Rambling Rogue Café is offering a variety of dairy products, including milk, creamer, cottage cheese, sour cream and butter. The cafeteria also carries juice, eggs, and take-and-bake pizza.

All grocery items are available during normal operating hours.

Employees are invited to stop by the Rambling Rogue to see what items are available.
