A Spin for the Ashland Community Hospital Foundation

The Ashland Community Hospital Foundation wants to get you behind the wheel of a new car from Ashland's Butler Automotive Group – even if it's only for a spin around the block. The local Ford dealership will donate \$20 to the foundation for every test drive – up to \$6,000 – in its Drive 4 Ur Community event on May 2.

Those who participate in the test drive promotion will have no further obligations to the dealership or the foundation.

Drive 4 Ur Community is a nationwide program in which Ford dealers team up with organizations in their communities to host test-drive events. The Ford Motor Company then donates \$20 to the selected organization for each person who completes a test drive, up to a maximum of \$6,000 if 1,200 people participate.

The program, which began in 2012, has raised more than \$1 million for the organizations it benefits.

The May 2 event for the Ashland Community Hospital Foundation will begin at 10 a.m. and continue until 4 p.m. Each driver participating in the event must be at least 21 years old, have a valid driver's license and have a unique address (one per household). Participants can [sign up in advance](#) through the foundation. The event is not limited to employees.

The test drive promotion will feature live music from The Brothers Reed, Yes Emma and Tom Stamper's Modern Prometheus Jazz Company, and the food vendors Peruvian Point and AvoShack.

Event participants will receive goody bags and can take part in prize drawings, displays and demonstrations highlighting Asante Ashland Community Hospital (see the foundation [website](#) for details). The first 300 test drivers will receive complimentary 16-ounce drinks from The Human Bean.

Those who have questions can email Stephanie.Roland@Asante.org or call 201-4019.
