## ELEMENTS 2015: Deadline for Completion is Today

Asante employees who figured there'd be plenty of time later to complete their annual ELEMENTS assignments have run out of leeway. The deadline is today (Dec. 15) to wrap up the online learning modules that all employees are required to complete in the Asante Learning and Education Center (ALEC).

All employees are urged to log into ALEC to determine if they have ELEMENTS assignments that have not yet been completed. Several people have not received credit for completing their assignments because they skipped over a quiz on bloodborne pathogens that appears in the middle of the learning module on bloodborne pathogens and tuberculosis.

To locate the ELEMENTS 2015 modules in ALEC, [log into UltiPro](#) using your network username and password. Click on ALEC under the Web Links tab on the right navigation bar and then – after completing another login window – click on the My Learning tab, where ELEMENTS 2015 is listed under Assigned Learning.

Those who skipped over the bloodborne pathogens quiz should reopen the tuberculosis/bloodborne pathogens module and click “no” when asked if they want to

resume where they left off. They should fast-forward to slide 21 for the bloodborne pathogens quiz, then after achieving a passing score, click the “finish” button.

This year's module includes segments on bloodborne pathogens/tuberculosis, compliance, social media, active shooter, fire safety, ICD-10 overview and the Asante fall reduction training.

ALEC is managed by Asante's ITS Department.

Asante News is published every Tuesday. Deadline for submission of articles is every Friday. Send via e-mail to [asantenews@asante.org](mailto:asantenews@asante.org).
