TownePlace Suites by Marriott Donates Blankets to NICU

TownePlace Suites by Marriott-Medford partnered with the Asante Foundation's Children's Miracle Network last week to warm some little ones, donating 200 handmade fleece blankets for NICU babies and pediatric patients.

This is the fifth year TownePlace has been involved in the project, which began seven years ago. TownePlace Suites doubled last year's total by assembling 200 blankets.

Marriott International was the first national sponsor of the Children's Miracle Network, beginning in 1983. Three local Marriott properties, all franchised by InnSight Hotel Management Group, have supported the Asante Foundation's Children's Miracle Network program since 1988.

TownePlace Suites guests, owners, franchisees and team members throughout the hotel chain use the

blanket-making campaign to work with local volunteers, establish partnerships with local hospitals and benefit young patients in their local communities.
