A holiday message for you from Roy Vinyard

The holiday season gives us a time to reflect on the past year. I am personally thankful to be a part of an organization that works to improve the health of the members of our community.

Asante strives to provide the safest, highest quality health care and the best experience possible to our patients.

While the future direction of health care in our country is uncertain, I am excited about the future of Asante and the positive impact it will have on the health and well-being of our patients and the communities we serve for many years to come.

I would like to extend my warmest wishes to you and your family for a safe, healthy and happy holiday season, and a wonderful new year!

Please take a few minutes to watch the [Moments of Care holiday video](#).
