Senior Retirement Education Sessions coming this month

Asante employees who are reaching retirement age have a lot to think about. Will Medicare be enough to pay for health care? How does Social Security work? How should I use the money put aside for retirement? In short, there are a lot of different pieces to put together.

To help with this puzzle, Asante will hold Senior Retirement Education Sessions later this month in Medford and Grants Pass.

Employees and their spouses can visit with Regence, HealthEquity, Transamerica and Social Security experts to learn about planning for retirement. Sessions take place:

Monday, Sept. 25 — Medford

- 9 a.m. to noon, Smullin Lower Auditorium
- 4 to 7 p.m., Smullin Lower Auditorium

Tuesday, Sept. 26 — Grants Pass

- 9 a.m. to noon, ACOH, Rooms 2, 4 and 5
- 4 to 7 p.m., ACOH, Rooms 2, 5 and 6

Attendees should register by emailing myasantebenefits@asante.org. If you have questions or want to learn more, email Asante Human Resources benefits or call (541) 789-4551.
