## Asante Employees Honored for Community Volunteer Work

Six Asante employees who registered their community volunteerism hours were picked at random to win the current quarter's Spirit of Service awards, and a seventh award went to a randomly-selected "new participant" in the volunteer recognition program.

The Asante Community Team's Spirit of Service program closed its first quarter of the 2014-15 fiscal year with a total of 81 participants volunteering 2,935 hours.

Winners of the regular drawing for 12,500 points each [from PointRecognition.com](#) are: DeAndrea Bean (ITS-Asante); Janice Clark (Facilities-Asante Three Rivers); Rick Landt (Emergency Department-Asante Ashland); Teresa Mensch (Neuro/Ortho-Asante Rogue Regional); Jacquie Roemmich (Talent Family Medicine-APP); and Susan Wood (Revenue Integrity-Asante).

The winner of the new participant prize of 12,500 points from PointRecognition.com is Angel Pyles (Family Birth Center-Asante Rogue Regional).

The Spirit of Service volunteer program encourages and rewards employees who participate in volunteer activities by offering both quarterly and annual awards. Volunteer service qualifies for the program if it's done for a local school, church, police or fire department, ambulance service, city council or a 501(C)(3) nonprofit agency in an Asante service area. Active employees are eligible if they have volunteered at least one hour in the current quarter.

All Asante employees who have volunteered at least one hour of service with an eligible agency between Jan. 1 and March 31 can [register for prize drawings](#) in the current quarter's Spirit of Service Awards program.

The following employees all volunteered for qualified community organizations during the first quarter:
